RED CROSS NOTES

In response to an appeal from the Divisional point in Calgary for war "emergency" the following plan has been adopted.

Five homes are ready in case of "emergency".

Mrs. Hay's for the Farm.

Mrs. Ridley's for Headquarters.

Mrs. Van Tighem, Mrs. Lounsbury's and Mrs. Patrick's for the town.

Should an "emergency" arise the members of the "nursing class" nearest each home will go with bedding and whatever each member may have on hand to aid "home nursing". The doctor and the two druggists will be ready with bandages, etc. Mrs. Marcum, who is Liaison Officer between the Strathmore branch of the Red Cross and the Divisional point in Calgary, will arrange the members into shifts for nursing and for providing food.

Phoebe Patrick,
Pres. Strathmore Red Cross.

RAGS-RAGS-RAGS!!

Good housewives, turn out your cupboards and boxes! The Salvage Department is calling for **R-A-G-S!**

Dirty, grays, old rags, from Saturday, Sept. 12th, to Saturday, Sept. 19th, Strathmore is asked to have five hundred pounds of rags in the Strathmore Red Cross depot (Dr. Giffin's garage).

Thank you, Kind Citizens.

SCHOOL NOTES

School opened on Tuesday, Sept. 1, with 160 pupils in attendance. In the two high school rooms there were three more in attendance than at the end of the last school year. There were 11 beginners in the primary room. Newcomers in the high school are:

Pearl Stewart
Rose Marie Keyton
Winnie Porteous
Jennifer Boyden
Marion Morton
Shirley Boyden

The pupils at the school bought \$45.25 worth of war savings stamps on Thursday last.

The School Fair has been postponed until after harvest. The date will be announced later.

G. P. F. BOESE PROMOTED

The appointment of G. P. F. Boese as chief engineer of the D.N.R., Calgary, succeeding Mr. Griffin will be interesting to many Strathmore friends. Mr. and Mrs. Boese have visited Strathmore frequently, and Mrs. Boese has assisted in many musical entertainments here. Strathmore will congratulate them on this promotion.

It takes 71 railroad trains, each with a minimum of 20 cars, to move an army division of 15,000 men with weapons and equipment.

A man who gives his children habits of industry provides for them better than by giving them a fortune.—Whately.

Application is the price to be paid for mental acquisition. To have the harvest we must sow the seed.—Gamaliel Bailey.

God promises a sure landing, but not a smooth passage.

WEDDINGS

McKEE — STANDLEY

A pretty wedding was solemnized in St. Stephens Church, Calgary, when Eileen Joan, daughter of Mr. and Mrs. Standley, formerly of Carseland, became the bride of Lac K. R. McKee, R.C.A.F. Rev. W. E. Jackson officiated.

The bride wore a floor length gown of white net over satin with matching veil and carried turquoise flowers. Miss Gladys and Miss Doris Standley, sisters of the bride were bridesmaids, wearing turquoise and peach sheer gowns. Pamela Anne Watson was the flower girl.

Mr. John H. Watson was best man and Gordon Lydiatt, R.C.N.V.R., and K. P. Porter, R. C. A. F., ushers. After a honeymoon in Banff, Lac McKee and his bride will return to his station at MacDonald, Man.

BOYDEN — HART

A quiet wedding was solemnized at the Innisfail United Parsonage on September 4, when Doris, second daughter of Mr. and Mrs. Fred Hart, became the bride of Flt-Sgt. D. G. Boyden formerly of Chancellors. Rev. R. G. Sinn officiated. The bride wearing a pale blue gown carried gardenias and rosebuds.

Miss Hart, sister of the bride, was bridesmaid. She chose for the occasion a pink gown and carried a bouquet of carnations and sweet peas.

The groom's brother was best man. The happy couple left for Rivers, Man. where the groom is stationed.

Mrs. Boyden, mother of the groom now living in Strathmore, attended the wedding.

GLENDINNING — FOSSEN

An attractive wedding took place at the Mount Royal Chapel Sept. 5, when Miss Mary Fossen of Calgary became the bride of William John Glendinning, son of Mr. and Mrs. J. Glendinning of Strathmore. Rev. John Garden officiated.

The bride was given in marriage by her brother, Mr. Arne Fossen of Vancouver.

The attendants were Mr. and Mrs. John Freeman, sister and brother-in-law of the groom.

The bride wore a Royal blue street-length dress with many accessories, and a corsage of roses. Her attendant chose for the occasion a dress of Aqua blue with brown accessories, and wore a corsage of roses.

After the ceremony a reception was held at the York Hotel for relatives and guests.

After a honeymoon at the coast, Mr. and Mrs. Glendinning will reside in Strathmore.

STOCKERS' UNION ???

During the hours of 1 p.m. and 7 p.m. a raid was made on the farm of C. Dawson, Ardenode. It appears that at 1 p.m. there was a field of nice sheaves all in nice rows of two and three sheaves. At 7 p.m. it was just a mass of stocks in rows of one looking very artistic in the late evening, also very original as there were no two stocks alike. It certainly must have been done by careful study of a blue print carefully thought out and very carefully stocked out.

Now there is a rumour going around of a stockers union having been organized to be known as Strathmore certified stockers.

Customer: "Have you a book called 'Man, the Master of Women'?"

Salesgirl: "The fiction department is on the next aisle."

STRATHMORE'S STAMP SALE GOES OVER WELL

Thursday's stamp sale in Strathmore was very successful.

The sale was largely local as the farmers were too busy on the land to take time off to make their purchases during the specified time.

Strathmore School did extremely well and this together with the Town Sales netted something over \$150. For a population of 500 this is a very satisfactory showing.

INDUCTION SERVICE FOR REV. E. J. I. HOAD

The Service of Induction for Rev. E. J. I. Hoad, B.A., L.Th., will be held in St. Michael's Church Friday, Sept. 18 at 8:00 p.m.

Rev. J. M. Roe, formerly of St. Barnabas Church, Calgary, now Chaplain in the R.C.A.F., Claresholm, will preach the Induction Sermon.

NEW MODERATOR

Rev. J. R. P. Sclater of Toronto, pastor of Old St. Andrew's Church was elected Moderator of the United Church in Canada at the meeting in Belleville, Ontario, September 9th.

PIONEER SETTLERS CELEBRATE GOLDEN WEDDING

On Sept. 9, Mr. and Mrs. John Taylor held open house to old friends and new who called to extend best wishes on the occasion of their Fiftieth Wedding Anniversary.

During the evening a mock wedding was held with Mr. Newmeyer as the winsome bride, dressed in frilled petticoats and trailing veil carrying a bouquet of beets, carrots and lettuce. Mrs. Koch acted as bridesmaid, and Mrs. Fessenden as train bearer. Mrs. Newmeyer was the shaky groom with Mrs. J. Freeman as the best man, carrying a cast-iron wedding ring.

J. Swanson looked the part as the solemn minister and carried his part out as if he knew how.

The bride entered the room to the strains of the wedding march played by Lt. T. Glendinning.

After the ceremony, Mr. Fessenden

COMING EVENTS

October 22—The annual Chicken Dinner of the Ladies Aid of the United Church will be held in the Church Basement, October 22, commencing at 6 p.m.

PLEASE NOTE

The Ladies Aid of the United Church at their meeting in July at the home of Mrs. Lounsbury adopted the following resolution, that:

Owing to the rationing of tea, coffee and sugar for the duration, they decide to hold only the annual Bazaar and Fowl supper; and in place of the teas previously held, each woman of the congregation be asked to give 25 cents per month towards the funds necessary to the work carried on by the Ladies.

Signed,
Mrs. H. Willson, Pres.

RED CROSS

On Monday, September 14th at 8 p.m. in the Town Hall there will be a meeting of the Red Cross.

There are several important items of business to be discussed so will every one please make a point of attending. The Rev. E. J. I. Hoad will give a brief address.

presented the honored couple on behalf of the guests present, a very handsome chime clock with an inscribed plaque after which Mr. Taylor very ably responded on behalf of himself and his bride of 50 years, thanking the old friends and new and recalling the old times when he first landed in Strathmore.

The rest of the evening was spent in old time dancing. The music being supplied by T. Glendinning, Sr. on the accordion and R. Newmeyer on the violin.

Following a delicious lunch served by the hostesses, goodbyes and good wishes for many more years of happiness were extended to Mr. and Mrs. Taylor.

Out of town guests were Mrs. O. Wright, Mrs. Hyslop and Mr. and Mrs. J. Taylor, Jr.

URGENT NEED FOR LUMBER PRODUCTION

The necessities of war are reaching out into more and more fields and now it is the Lumber situation that is causing the Dept. of Munitions and Supply and the Wholesalers and Retailers a real headache.

There is no shortage of timber in Canada—but in the lumbering as in farming there is a serious shortage of men to perform the necessary work in cutting the standing timber, logging and shipping to Lumber mills. The need for more "finished timber" is so acute that the logging and lumber industry is being classed as an essential war industry.

Maximum production of logs and lumber must be accomplished, even with our present difficulties of labor shortage.

In the Pacific Coast region, lumber production recently has fallen from 160,000,000 ft. a month to 140,000,000 or less and this when Canadian war requirements are 15,000,000 ft. per week.

Canada's 1941 production was approximately 5,000,000,000 ft. of which

THE OUT-SIDE

BEESWAX URGENTLY NEEDED

Every beekeeper should carefully preserve hives and combs. Beeswax is utilized in several of our war industries.

The traditional summer vacation for Philadelphia school children, with its fishing trips and afternoons at the old swimming hole, may be replaced by a ten week layoff in the dead of winter because of the fuel shortage. Education authorities said they were giving serious consideration to the proposal.

Although they live only about 90 miles away, many of the 40 youngsters from Drumheller who visited Calgary for three days had never seen a street car. The party was comprised of pupils of the Cambrian school.

Seven Japanese-Canadian high school girls, removed from their native British Columbia under the general evacuation order of the B. C. Security Commission, are settling down to their new existence as domestics at Alma College at St. Thomas, Ont.

ANNUAL AUCTION SALE

Of interest to the range sheepman is the announcement that the annual sale of Rambouillet and Corriedale rams at the Lethbridge Experimental Station will be held Saturday, September 19th.

Hunters are asked to save their empty shell cases. These cases contain brass, vitally needed for war purposes. The shells will be sent to eastern Canada to be melted down as scrap metal. Retail stores, where sporting supplies are sold, have agreed to act as receiving depots.

HIKER HIKES 12,700 MILES IN TEN YEARS

William Henry Cook, who started on a walking tour 10 years ago, was back in Halifax yesterday. He said he travelled 12,700 miles since Sept. 10, 1932. He said he covered Canada from coast to coast, then travelled down to the Mexican border, to Florida, the New England states and back to Halifax.

A lady, asked by the magistrate why she threw the hot flatiron at her husband, replied: "Well, your honor, my motto is 'Strike while the iron is hot'." Another woman's husband declared that he was held up on his way home last night, to which she replied: "Well, that's the only way you could get here."

NEWSPRINT

About 50 per cent of Canada's newsprint production is shipped to newspapers and other publications in the United States.

An item in our last issue, quoting from a recent address by Mr. G. H. Lash, director of public information, should have read: "No Canadian deserves victory who is unwilling to give to victory the same full measure of his means and labor which he will be forced to give to the enemy in defeat."

BEEF SHORTEAGE

To meet the growing shortage in beef supplies in Canada, the government has made the Wartime Food Corporation the sole exporter of beef cattle. Producers are assured that they will receive not less than ceiling prices. Even Military requirements which are given priority are not being filled. The new policy, it is stated should restore an even flow of beef to the domestic markets.

HOMEY HOMILY

—BY A SKY PILOT—

LABOUR SUNDAY IN THE CHURCHES

A good friend of the Church asked me the other day why some Churches make a special occasion of Labour Sunday. He wondered if those Churches were not mixing in a matter in which they were not greatly concerned.

His question raised the problem: What fields of human interest should or should not be the Church's concern.

If Christianity is to be an active force in our day and civilization it must concern itself with the application of certain great principles underlying moral social living. To do this it must have a sympathetic and also critical relationship and attitude towards all groups within our Order.

One of the great principles of moral social living is justice. The prophet Amos enjoined his hearers to "let justice well up like fresh waters." (Mofat). Justice established between all classes, groups and races must be the established principle of action before we can really lay claim to being a "Christian Civilization." Though justice is but one of a number of Christian principles that should be

made operative in all the relationships of life, and these relationships are legion.

Then, why should not the Church concern itself with obtaining the application of justice in the relationships of Employer, Employee and the Consumer, who is also concerned in the outcome of Labour's struggle to obtain wages and conditions of labour worthy of the efforts and dignity of those who produce the necessities and luxuries of life by their toil and sweat.

A man who was a pupil in my first Sunday school one day said to me: "I figure the world owes me a living!" Upon which I asked him what he was doing to earn it?

The thought that the world owes us a living is far too widespread while the more important and dignified principle that the world owes each of us an opportunity to earn a living is too oft forgotten.

It is, however, true that wages should be sufficient to enable the labourer and his family to share more equally in the necessities and also in the luxuries of life.

During the years of my experience as a social worker in one of our larger and more prosperous cities I came oft face to face with the grim realities of poverty, undernourished children and parents resigned to hopeless despair because good fathers and husbands

were denied the opportunity to earn a living for their families; or, because the reward for their labour did not suffice to provide the barest necessities of life for their loved ones.

A medical survey made in the schools of that city revealed that the majority of children attending were undernourished, the percentage rising greatly in those districts where working people were living and sheltered in places that degrade the name of "Home". In a land so blessed with abundance as Canada is, and one that boasts of its Christian Civilization, these conditions need not exist in warless days.

That is why it seems only right to me that the Church should be concerned in the struggle of Labour to improve the conditions of those who are sadly underpaid or denied the opportunity to work for a living.

Christianity has ceased to blindfold itself to the ills and cruelties of this world and to be concerned only with the anticipations of bliss in another world beyond this. Such anticipations are of little comfort or help to those who see their children in want of food and decent clothing. Christianity can afford to concern itself with both worlds, for both lie within the interests of human life.

Labour for the most part, if not all, is performed under the urge and inspiration of love. The Toller is inspired in his struggle for his rights, not so much for his own sake as for the sake of his loved ones. The Poet caught the vision of the heart and mind of the toiler in these lines:

"Love wore a threadbare dress of grey

And toiled upon the road all day.

Love wielded pick and shovel back

And bent to heavy loads the back,

Though meager fed and sorely

tasked

Only one wage love ever asked—

A child's bright face to kiss at

night

A woman's smile by candlelight."

Department of Munitions and Supply

Ottawa—Half a million tons of scrap iron and steel must be sold to the stockpiles throughout Canada before the winter freeze-up, the Department of Munitions and Supply has announced.

"Canada faces a steel crisis which can be solved only by the active co-operation of every farmer, every manufacturer, and every other owner of machinery," said F. B. Kilbourn, Steel Controller. "If our steel mills are to keep up maximum production all winter, every last item of scrap iron and steel must be sold to a collection agent or given to a National Salvage committee within the next few weeks."

The Controller added that a recent order makes it illegal to retain, except by permit, any obsolete machine which is not now serving a useful purpose. Such machines, and scrap iron and steel in all other forms weighing a total of 500 pounds or more, must be disposed of before September 15, or otherwise must be reported to the Used Goods Administrator of the War-time Prices and Trade Board, Lumsden Building, Toronto.

"The order does not mean that seasonal machinery which will be used again next year should be scrapped," said Mr. Kilbourn. "On the contrary it is essential that the fullest possible essential use be made of all existing equipment so that new steel need not be used in the manufacture of additional equipment."

The Controller added that the successful outcome of the war hinges on the ability of the United Nations to gather sufficient scrap iron and steel to keep the mills in full operation. "We need the scrap today," he said. "Tomorrow might be too late."

HIRTLE'S**HUNDRED YEARS OLD**

This is the centenary of the income tax, the first true income tax having been imposed in England in 1842. All will devoutly hope the first 100 years are the hardest, says the Edmonton Journal.

When a young man vainly boasted, "I am wise, for I have conversed with many wise men," Epictetus made answer, And I with many rich men, but I am not rich." The richest blessings are obtained by labor,—Mary Baker Eddy.

ernment, the province will make these loans to students who have the necessary qualifications but are too poor to pay their tuition fees. In all cases the students will take training connected with war work. A limit of 40 has been set and it is anticipated that this will be filled.

Cooperative House Building—

Announcement that the Government of Alberta is investing funds in vitally needed home building projects was made Saturday last, when details of the Edmonton Co-operative Housing Association's activities were made public. This is the first association of its nature set up under Part 2 of the Alberta Building Associations Act. The organization is purely co-operative, with every member a shareholder holding one or more shares, and all having one vote.

Successful Plan—

Organization of Co-operative Building Associations is open to any group of ten or more Albertans who follow the simple provisions of the Act. Membership in an association is likewise open to any Albertan who is willing to purchase a share or shares on the installment plan, or for cash. Administration and supervision will be carried out along lines found effective in other parts of North America and in Europe, where millions of homes have been built through co-operative endeavour. It is stressed that in Massachusetts, where more than a million homes have been financed and built by this means, not a single dollar of invested money has ever been lost. The Associations there have their own Central organization, which makes loans available to member Associations which experience a heavy call for mortgage funds.

Province Lending Road Building Machines for War Work

Providing additional assistance to the federal government, the Alberta department of public works has made available more modern road machinery for airport construction. The equipment was turned over in response to an appeal by Hon. C. D. Howe, Minister of Munitions and Supply. Earlier this summer some of the province's largest pieces of equipment went to the dominion authority. Because of these transfers, it is warned that Alberta's road building and maintenance program may be curtailed. While the machinery is on actual war work it is impossible to find substitutes to carry on provincial projects.

DALEMEAD

D. V. V

Mrs. H. Newton entertained a number of guests at dinner at the home of her parents Mr. and Mrs. J. Hable before returning to Calgary.

We are happy to congratulate Mr. and Mrs. R. Rudolph on the birth of a new daughter.

Mrs. F. Winkler has been enjoying a visit with her brother Harry of B. C. Mrs. H. Robinson and son Ronnie of Ladner, B. C. were guests last week at the homes of Martin and Andrew Van Der Velde.

Mr. and Mrs. Umbrite and daughter Betty of Gleichen were Sunday visi-

tors at the A. Van Der Velde home.

The Oakland school building has been moved to a new site and will be reopened for this year to accommodate the pupils of the district. Mrs. S. Pederson will teach the school till Christmas Holidays.

Misses Marjory and Daphne Van Der Velde left last week for their schools; Miss Marjorie teaching near Cochrane, and Miss Daphne at Bragg Creek.

All are busy harvesting crops if only the weather man will just behave for a while now.

Nearly 8,000 tons of peppers were stored in India at one time early this year.

VERY DIFFERENT NOW

Uninformed persons drank generous amounts of wine after drinking tea when it was first introduced in London. They drank the wine to dispel any possible ill effect of the new beverage.

RUBBER SALVAGE

All old scrap rubber can be reclaimed and used over again. Reclaimed rubber can be mixed with crude rubber to form a compound usable in many products, military as well as civilian.

Sneeze germs travel at the rate of 100 miles an hour, according to the estimates of scientists.

THE WEEK IN EDMONTON

By DAN E. C. CAMPBELL
Director of Publicity

● Edmonton—Indications are that Edmonton will have a full dress by-election when citizens go to the polls September 22. Liberal, S. C., C.C.F., and Independents are each entering a candidate.

● Effective September 1, licensed premises will remain open for the sale of beer from 10 a.m. to 10 p.m. according to terms of an order in council passed recently. Making the announcement, Hon. Solon E. Low said that beer will cost more. The 10 cent glass will henceforth contain seven and one-half ounces only, instead of the former eight ounces.

● The Provincial Horticultural Station located at Brooks under the direct management of Mr. P. D. Hargrave, is one of the most outstanding institutions of its kind in Western Canada. Its purpose is to develop the growing and use of hardy varieties of fruits, suitable to Alberta climatic conditions.

Because of the teacher shortage, it is feared that some one-room schools in the province may not open this term until the next group of Normal students is ready for emergency work. As a means to obtain an accurate picture of the situation, the Department of Education has asked all school superintendents to file reports by Sept. 14. About 150 students will be able to leave Normal on October 5, but it is not likely that these will fill all the possible vacancies.

AID FOR STUDENTS

Twenty high school students have applied for government loans to enable them to take University training. It is announced officially. Under an agreement made with the federal gov-

GOVERNMENT INSURANCE

IN CASE OF

WAR DAMAGE TO PROPERTY

OWNERS OF PROPERTY ARE URGED TO INSURE AGAINST LOSS BY ENEMY ACTION

The Government of Canada, by Act of Parliament, has set up a Plan of War Risk Insurance against damage to property caused by enemy action—by countermeasures taken against the enemy—by explosions of war munitions handled by third parties.

In terms of general information, it may be stated that the Plan provides a certain limited FREE COMPENSATION for damage to owner-occupied homes and to chattels, but the main feature of the Plan is that owners of most types of property can protect their property by PURCHASE of GOVERNMENT WAR RISK INSURANCE at very moderate rates.

This type of War Risk Insurance is not being sold today by private insurance companies, because of the risk involved. Consequently, the Government has established a national scheme to make it possible for each citizen in Canada to purchase the sense of security that comes from knowing that if his property does suffer war damage (and the war has come much closer to Canada in the last twelve months) he can call on the resources of Canada to help him make good his property loss.

HOW TO OBTAIN GOVERNMENT WAR RISK INSURANCE

The Fire Insurance Agents and Companies of Canada have volunteered to the Government the services of their extensive facilities and personnel, on a non-profit basis, thus avoiding the setting up of the large organization that otherwise would be needed to handle details of this nation-wide Government War Risk Insurance scheme.

YOUR FIRE INSURANCE AGENT OR COMPANY WILL GLADLY SUPPLY COMPLETE DETAILS OF THIS GOVERNMENT INSURANCE PLAN.

THIS ANNOUNCEMENT IS PUBLISHED so that the public may have notice of the Government War Risk Insurance Scheme. The information given above is not intended to be a complete resumé of the Scheme. Full information regarding conditions, exclusions, etc., is available elsewhere.

TO HOME OWNERS HOUSEHOLDERS AND OTHERS

Limited free compensation is provided under the Act for War Damage by enemy action to owner-occupied homes up to \$3,000. Damage to Householder's Chattels, up to \$800—for those of his wife, up to \$400—for each child under 16, up to \$100—for others, not householders, up to \$200.

No policies are needed in this classification but insurance additional to the above amounts may be purchased.

Ask any Fire Insurance Agent or Company for complete details.

AGAIN THE CURFEW

THE CITIZENS of Strathmore are becoming "Curfew conscious." That is as it should be. It is of prime importance. Safe guard the habits of your children by having them under proper surveillance at a reasonable hour. We suggest to the Town Council that they take the matter in hand and give the Citizens of Strathmore a Curfew Bell.

SCRAP IRON

ON and after September 15th next anyone except scrap dealers having more than 500 lbs. of scrap iron or steel on his premises is liable to a fine of up to \$5,000 or imprisonment up to five years or both.

Scrap dealers and metal processors are of course exempt from this order. Munition plants need this scrap iron and steel. It is an absolute necessity in making the necessary war equipment.

The request has gone forth so often it is surprising there is still so much left uncollected. Now the government is no longer requesting but demanding.

It will be wise for all "whom it may concern" to heed this call. Read carefully the advertisement in this issue.

AN OUNCE OF PREVENTION

MR. Frank Jones is making a good job of rebuilding the sidewalk between 2nd and 3rd Streets. That improvement was much needed, all will agree.

The economy of the times requires that the walks now being built be made a foot narrower, thus conserving this much lumber.

So far so good—but herein lies a danger that might cost the Town several hundreds of dollars. In the first section from the Memorial Hall, the narrower walk leaves a drop of from 12 to 18 inches. Anyone on a dark night not familiar with the change might easily step over the side from which a serious accident could easily occur.

We suggest the Town Handyman be authorized to fill in these danger traps, and thereby carry out the old adage that

"An ounce of prevention, is worth a pound of cure."

WORLD OF WHEAT

By H. G. L. Strange
 Director— "The Crop Testing Plan"

DON'T THRESH TOUGH GRAIN—

Storage room for this present large crop will be scarce. A preference will certainly have to be given to dry grain simply because it can be handled with less danger of loss from heating. Farmers, therefore, will be well advised not to cut their grain this year until it is fairly well ripe and most certainly not to thresh it until it is thoroughly dry. Those who combine and swath will also, it seems, be well advised to harvest their grain rather over-ripe than to run the risk of having green kernels or green weed seeds present in their threshed grain, for even a small percentage of green

ROCKYFORD

—By K. M. G.—

A very impressive dedicatory service was conducted by Rev. H. Ellison at the United Church when the Honour Roll for the boys who had gone into active service with the Allies, was unveiled. Mr. R. Dyer, an elder of the church, and an old timer of the district who has a son in active service was asked to perform the duty of unveiling the roll. The address by Rev. Ellison with the suitable music with Anna Roberts at the piano, and special prayers for the day of prayer made a service to be remembered.

Mrs. Birt left on Sunday morning's train on her way to Banff to visit with Mr. and Mrs. Stan Birt for a week. Mrs. Birt's nephew, Eric Claidge also left that day to return to barracks in Calgary. He expects to be sent to the west coast soon.

Miss Anna Roberts was home over the long week end returning to her work in Calgary on Tuesday morning.

A large bomber plane was forced down on Friday evening just north of Rockyford. The pilot was alone, but very successfully grounded his machine without much damage and he was quite unhurt. Help was soon received from Calgary and the repairs completed on Saturday. A large crowd of people were able to see the bomber and were surprised to realize the size which is very deceiving when it is in the air.

Mrs. Stone motored to Calgary to meet Bob who was having a two days leave. He has just completed an important test and will probably be sent to another training point.

We are sorry to hear that Owen Wise is at present suffering from a bad attack of what appears to be real old fashioned 'flu'.

Mr. Tom Inverarity is at present home on leave for a few days.

A very successful Ladies Aid tea and sale of Home Cooking was conducted at the home of Mrs. Gibson on Saturday afternoon, Sept. 5. Mrs. Pomroy was in charge of the Home Cooking, Mrs. Tomto, of the dining room assisted by the young girls and Mrs. McLuhan, Mrs. Poole and Mrs. Gibson looking after the kitchen. The Ladies are well pleased with the returns of their efforts.

The last few days of clear weather are very busy ones for all the farmers. Harvesting is ready and they are trying to make every progress possible with the shortage of labor as at present.

kernels of either grain or weeds can start heating in the grain. Much grain will certainly this year have to be stored on teh farms. Grain, therefore, which bin-burns or goes out of condition will be a direct loss to the farmer.

It would appear then that any extra care used this year to ensure that grain is thoroughly ripe before cutting and thoroughly dry before harvesting will tend to avoid losses to farmers, and will also help in making available more storage room in elevators, because tough grain necessarily takes up more elevator space than does dry grain.

CHEADLE

by B. W.

Lance Corporal McLean returned to Camp Borden after three weeks holiday.

All of the Cheadle elevator men were out helping the farmers with their harvest.

The first wheat hauled to Cheadle elevator was by Ches Barber and Mr. Van Der Velde on Sept. 8.

Mr. and Mrs. Kettley are out at her Mother's, Mrs. Kildea for the week end.

Capt. Rhoda Kier, R.C.A.P. (W.D.) was a week end visitor at the home of Mrs. McLean.

Born to Mr. and Mrs. Robert Jackson a baby boy.

Pilot Officer Smith who made the forced landing spent a few days holidaying at Emery Jackson's home.

FOOTNOTES ON THE "CHARTER"

—From the New York Times, reprinted for distribution by Alberta Wheat Pool.

IN looking back over the twelve months that have passed since President Roosevelt and Prime Minister Roosevelt drew up their declaration one seems to be gazing across a fragment of eternity much wider than a year. The very ship on which the two heads of state conferred now lies at the bottom of the China Sea. The "Charter" which in August, 1941, was no charter at all but merely a legislatively unauthorized expression of purpose, is now morally binding on a new alliance—the United Nations. At almost the moment when Mr. Roosevelt and Mr. Churchill were meeting each other, the House of Representatives came within a single vote of destroying the new American Army by refusing to extend its term of service. Now the advance guards of our troops are in North Africa, China, India, Britain, Australia and the South Sea Islands. Only the news of German advances in Russia strikes a familiar note.

A year ago the Roosevelt-Churchill declaration was criticized as being vague and incomplete. It is hard to see how it could have been otherwise. A tragic year has been required in order to underline and interpret the words of August, 1941, in such a way as to make them generally acceptable in August 1942.

Those who wish may still quibble as to the exact meaning of certain phrases. It may be as difficult after this war as it was in 1919 to draw a map of Poland, Czechoslovakia or Austria in accordance with "the freely expressed wishes of the people concerned." It will hardly be expedient to permit the people of Germany a Nazi form of government, in the unlikely event that they would willingly choose it. Our own tariff system and the British preference system do not jibe with "access on equal terms to the trade and to the raw materials of the world." "Improved labor standards" are desperately necessary in many lands, but it will not be easy to plan for a transition period during which such standards in the Orient must be abysmally lower than those to which the Occident is accustomed. The days, weeks and months tend to furnish answers as they remind us that this world war is also a world revolution. The declaration of August, 1941, might have been written, with some minor differences, in some other time, and will be good a generation hence. Its practical application forces us to realize that the world must be reorganized on a new basis. The concept of nationality is

being limited by universal necessity, cannot reach total peace, total security. We no longer believe that small nations can be sovereign, or that sovereignty of large nations can include the right to expand by force. We realize that freedom of commerce is not a negative thing, the result of noninterference, but a positive result of international effort. We begin to understand that peace is not possible without some super-national agency capable of making economic, political and military decisions. The British took seven centuries to travel from Magna Carta to democracy, e move faster nowadays, but we

NAMAKA

By M. W.

Mr. S. C. Fairbrother of Calgary and Luc. E. Fairbrother from Clacton-on-Sea, England, now stationed in Calgary were the guests of Mr. and Mrs. Robert Biggar over the long week end.

The first 1942 grain has been delivered to the U.G.G. Elevator. Mr. Robert Biggar delivered the first wheat, No. 1 Northern, 62 lbs. to the bushel; L. O. Wheeler, oats, 2 C.W., and Loy Wheeler barley, 3 C.W.

Mrs. Wiegans, Sr. of Drumheller, and Mr. and Mrs. H. A. Wiegans of Turner Valley were the guests of Mr. and Mrs. H. E. Johnson over the week end.

Mrs. Mitchell Garriott arrived home Monday from the Hospital with their new daughter.

Mr. and Mrs. Jim Bremner and son Bobby, and Mr. and Mrs. Rae Buker and Valerie of Calgary spent the week end with Mrs. W. H. Buker. Charlie Bremner also called on friends in town.

The Red Cross have sent to headquarters for the month of August, 2 sleeveless sweaters, 2 long sleeved sweaters, 1 pr. gloves, 1 pr. seamen's socks, 1 baby shawl and 3 quilts for refugees. The September meeting will be at Mrs. Geo. MacLean's.

There are still Saskatoons at the river, some being picked on Sept. 7. While they are not as good as a few

weeks ago, they are still a very fair sample.

Mrs. Katie Clark of Cluny is visiting at the Shouldice home.

Night pasturing of farm horses during the heavy work season enables them to do more work than they otherwise could.

Industry hath annexed thereto the fairest fruits and the richest rewards.—Barrow.

Planes require from 33 to 96 lbs. of rubber for tires, with an additional 24 to 55 pounds for inner tubes.

The Bible, though the oldest Book in the world, is ever modern in its application.

NATIONAL REGISTRATION OF WOMEN IN CANADA Sept. 14 to Sept. 19, 1942

THOSE WHO MUST REGISTER

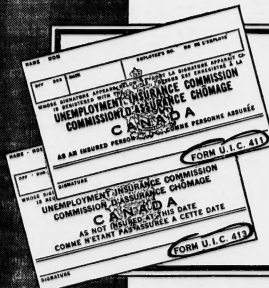

All females born between January 1st, 1915 and December 31st, 1922, inclusive, who are not now in possession of Unemployment Insurance Cards Form 411 or 413 (Illustrated below). Also all those who have such cards in their possession but who are not employed in insurable employment.

WHERE YOU MUST REGISTER

You must register at your nearest Selective Service Office (formerly the local Employment & Claims Office of the Unemployment Insurance Commission), or a location set up for your convenience. If you reside in a rural area, you register at your nearest Post Office.

THE DATE OF REGISTRATION

You may register at any time between Monday, September 14th, and Saturday, September 19th, 1942.

THOSE WHO NEED NOT REGISTER

Inmates of Institutions such as hospitals and mental hospitals and members of religious orders. Those in possession of either of the two Unemployment Insurance Cards Form 411 or 413 (Illustrated) and who are now employed in insurable employment.

NOTE: If you are now unemployed, you will be required to register. If you have an insurance book number or registration certificate U.I.C. 411 or 413 which you got when you were previously employed, bring it with you when registering.

NIGHTINGALE

By M. H.

The Women's Institute held their regular meeting at the hall last Friday. The expected poultry man did not arrive so the afternoon was a social one. The roll call was a favorite recipe and some discussions followed on cooking and canning. It was decided to postpone the next meeting if the weather was favorable for harvesting. Much Red Cross work was distributed and plans made for future work.

Mr. and Mrs. Eddie Risdon of Calgary visited with the Stoodley family last week.

Mr. and Mrs. Norman Bragg and children were week end visitors at the Harriman home.

Lac Kenneth A. Lambert, born at Nightingale and attendant of Valley Gardens School was killed in an air crash on Sept. 2, when two training planes collided 10 miles north of No. 7 Bombing and Gunnery School at Paulson, Man. He was the youngest son of Mr. and Mrs. R. A. Lamberg, 802 17th Ave. N. W. Four other airmen died in the crash. Lac Lambert received his later education at Kings Edward and Western Canada schools, and attended St. Michael's Church. Following his enlistment in May, 1941, he trained at Yorkton, Trenton, Mossbank and Paulson. Surviving are his father, at present in a munitions factory overseas; his mother and one sister, Mrs. Thomas Wilkin of Calgary.

CARSELAND

David Laurie of Calgary spent the week end with his parents.

Mr. Bob Woodrow who had the misfortune to break his foot while painting at Red Deer is now making a good recovery.

Miss Frances Cole of the Vulcan Hospital staff is spending the month of September with her parents.

The regular meeting of the P.B. club was held at the home of Mrs. W. Slater last Wednesday, with a small attendance, due to the harvest season. An effort was made to complete the list of names for the honor roll of our enlisted boys.

Sincere sympathy of the community is extended to Mrs. Fritz and family in the loss of their husband and father.

The Ladies Aid will meet Wednesday, Sept. 16 at the home of Mrs. Mutch.

Mr. and Mrs. G. Pidgeon of Drumheller spent the week end with Mr. and Mrs. C. Peterson.

School is now well under way, Mr. Addison being the new principal, with Miss Gilanders and Miss Kennaugh of last year's staff continuing.

gary; two brothers, Geof., in the R. C. A. F. in Ontario, and Arthur, who is in the Canadian Army Service Corps in England.

FEDERAL GRAIN
LIMITED

809 GRAIN EXCHANGE
 Winnipeg, Canada

Dear Sir:

During recent years you have used
 the facilities of this Company to
 market your grain. We want to make
 sure that you will continue to favour
 us with your esteemed patronage dur-
 ing the coming season and as an in-
 ducement we are prepared upon re-
 ceiving your promise to do so to make
 a payment to you in cash. The amount
 of this payment will be computed on a
 number of bushels equal to the num-
 ber of bushels of grain you delivered
 to the elevators of this Company dur-
 ing the period August 1st, 1941, to
 July 31st, 1942, and this payment will
 be in consideration of your continuing
 to use our facilities.

Our agent at your station will ad-
 vise you of the amount per bushel we
 are prepared to pay and will give you
 full particulars. Please see him or
 call him as soon as you receive this
 letter. He has the money on hand and
 the authority to make this payment to
 you.

We appreciate your use of our el-
 evators in the past; we can confidently
 say that we have endeavored to give
 you good service; we hope you will
 continue with us and can assure you
 our agent will always be pleased to
 render you every possible service in
 the marketing of your grain.

Yours very truly,
 FEDERAL GRAIN LIMITED.

CARSELAND

CARD OF THANKS

FRTZ— Mrs. E. Fritz, Mrs. Kay
 Neergaard, and Mr. Ken Fritz, wish to
 express our grateful thanks for the
 beautiful floral tributes, and for the
 kindness shown us by our neighbors
 and friends, also Melnits & Holloway
 Funeral Home, in our recent sad be-
 reavement, in the loss of a very dear
 husband and father.

The Community Service held in
 Carseland in the United Church on
 Sunday on the occasion of the "Day
 of Prayer" was well attended. Rev.
 Edward J. I. Hoad of St. Michael's at
 Strathmore conducted the service,
 while Rev. W. E. Sieber delivered the
 address.

Captain, Field Artillery—Is this
 gun working?
 Private—No sir. It's discharged.

"Thank" and "think" grow out of
 the same stem; from the one we
 cross easily to the other.

THE CALL O' THE HILLS

(Written while looking Westward
 from Carseland)

And lo! Another day is ending
 With sky aglow; glory descending
 Upon the hills.
 In crimson light the flaming sun
 Sets in the West—its journey run.
 I gaze till twilight's shadows
 fall,
 List to the nightbird's plaintive call.
 Then turn once more to look
 upon
 The far-off hills.

Then dream of distant peaks aglow
 In golden splendour; eternal snow
 That crowns the hills
 And blends with cloudlands' wond-
 erous sky
 'Round peaks where gossamer clouds
 trail by:

And long to roam among those
 hills;
 Drink deeply of the sight that fills
 My heart with joy, brings God
 so nigh
 My spirit thrills!

To walk among those hills up yonder,
 And silent 'neath their shadows
 wander

In solitude!
 While I their ruggedness admire
 Come thoughts to set my heart on
 fire,
 While yet I have no greater
 pleasure
 Than cherish as my mem'ry's treasure
 The mountains that so oft in-
 spire
 My quiet mood!

—W. E. Sieber.

Among the best teachers of human-
 ity are the lives of great men.

OBITUARIES

JAMES FRITZ

James Lester Fritz, age 56, of
 Carseland, passed away suddenly Aug
 26 at Beddington while operating his
 truck at work. He was born in Down-
 ing, Wis., in 1886. He moved from
 Washington to Alberta in 1917 where
 he farmed around Gleichen and Car-
 seland until nine years ago when the
 family moved into Carseland. In April
 of this year he entered the employ of
 the Provincial Highway Department.
 Surviving are his wife, Ella, Car-
 seland, one daughter, Mrs. Kay Meer-
 gaard, Calgary, and one son, Kenneth,
 of Claresholm, three brothers, Charles
 in Glandale Calif., Willard in Clayton,
 Wash., Willis in Montana, and four
 grandchildren.

The pallbearers were C. Peterson,
 Fred Sawyer, Thomas Still, A. O.
 Myers, W. Hill and L. A. Field, all of
 Carseland. Services were conducted
 by Rev. M. G. Garabedian from the
 Park Memorial Chapel. Interment was
 made in Burnside Cemetery.

THE NEW INCOME TAX

PART I - As it Affects

SALARY AND WAGE EARNERS

1. Question: WHO MUST PAY?

Answer: All persons in receipt of incomes over \$660 single—or \$1200 married.

2. Question: WHAT FORMS DO YOU HAVE TO FILL OUT?

Answer: Unless you are single, without dependents, and not making payments for allowable personal savings (Item 1D), you should file Form TD-1 with your employer. Otherwise he must deduct the amounts provided by the Table of Tax Deductions for a single person without dependents or personal savings.

If $\frac{1}{4}$ or more of your income comes from salary or wages, you must file your 1942 Income Return by 30th September 1943. If your income is not over \$5,000, including not over \$100 from investments, you will use Form T1-Special; otherwise you will use Form T.1.

3. Question: WHEN AND HOW IS YOUR TAX COLLECTED?

Answer: Your employer is required by law to make deductions from your salary or wages on account of your 1942 tax during the period September 1942 to August 1943. Each deduction must be the amount provided by the official Table of Tax Deductions for your current rate of pay, and family status and personal savings as declared on Form TD-1 (Item 2 above).

The Table is designed to collect about 90% of the tax on your salary or wages, leaving a balance of not more than 10%, in most cases, (plus tax on your other income, if any) to be paid with your Income Return to be filed in September 1943.

If your salary or wages are less than $\frac{1}{4}$ of your income, you must pay tax on your other income by compulsory instalments. (See Part II below).

4. Question: WHAT CONSTITUTES TAXABLE INCOME?

Answer: Your income is made up of your full salary or wages before any deductions whatsoever, plus living allowances, gratuities or bonuses (including cost of living bonus) and the value of any board, living quarters or supplies, etc., given you by your employer. It also includes such receipts as interest and dividends, rents (after taxes, repairs, etc.), royalties and annuities. From your total income you deduct payments (up to \$300) into certain types of employees' superannuation or pension funds, charitable donations up to 10% of your income, and medical expenses over 1% of your income (maximum—\$400 single, \$600 married, plus \$100 for each dependent up to four), to find the amount of your taxable income.

5. Question: HOW MUCH DO YOU PAY?

Answer: (A) Normal Tax—(whichever rate is applicable is applied to the full amount of

A booklet entitled
"YOUR 1942 INCOME TAX"
will be available shortly
at offices of Inspectors
of Income Tax.

your taxable income from the first to the last dollar).

- (1) Single—
with taxable income between \$660 and \$1800—7%
with taxable income between \$1800 and \$3000—8%
with taxable income over \$3000—9%
(2) Married (or equivalent status)—
with taxable income over \$1200—7%
(3) Dependents—tax credit for each—\$28
(B) Graduated Tax—
(1) On first \$660 of taxable income—No Tax.
36% on next \$ 500 15% on next \$ 5,000
33% on next 500 60% on next 7,000
37% on next 1000 65% on next 10,000
41% on next 1500 70% on next 20,000
45% on next 1500 75% on next 20,000
50% on next 3000 80% on next 30,000
81% on excess over \$100,000
(2) Married (or equivalent status)—tax credit—\$150
(3) Dependents—tax credit for each—up to \$30

- (C) Surtax—4% on investment income over \$1500 without exemptions.
NOTES
(1) In no case are you required to pay a net tax (i.e., after credit for dependents) which would reduce your taxable income below \$660 single or \$1200 married.
(2) If a wife has unearned income over \$660, then both she and her husband are taxable as single persons, but any amount a wife earns does not affect her husband's right to be taxed as a married person. A married woman is taxed as a single person under all circumstances except only when her husband's income is less than \$660.

(D) Tax Credit for Personal Savings—

You may deduct from the savings portion of your tax (Item 6) 1942 payments on account of—

- (1) an approved employees' (or trade union) superannuation, retirement or pension fund;
(2) premiums on life insurance policies issued prior to 23rd June 1942 (if issued after that date ask your insurance company or Inspector of Income Tax);
(3) annuity or savings policies not postponable without substantial loss or forfeiture; and
(4) principal payments on a mortgage or agreement of sale, existing prior to 23rd June, 1942, on one residential property; provided (a) they do not exceed the savings portion and (b) receipts are produced for the payments when filing your Income Return.

(E) National Defence Tax—

This tax does not apply after 31st August, 1942. The deductions made during January to August 1942 apply as a payment on account of your 1942 tax.

6. Question: HOW MUCH OF YOUR TAX IS SAVINGS?

Answer:

- (1) Single—the lesser of
(a) $\frac{1}{2}$ the total of your Normal Tax, Graduated Tax and Surtax; or
(b) 8% of your taxable income (maximum \$800) plus 1% for each dependent (maximum \$100 for each).
(2) Married (or equivalent status)—the lesser of
(a) $\frac{1}{2}$ the total of your Normal Tax, Graduated Tax and Surtax; or
(b) 10% of your taxable income (maximum \$1000) plus 1% for each dependent (maximum \$100 for each).

You will get back the savings portion of your tax which you actually pay, plus 2% interest, after the war.

7. EXAMPLES OF AMOUNTS PAYABLE ON 1942 EARNED INCOME (after allowing for National Defence Tax actually deducted Jan.-Aug. 1942)

1942 Income	SINGLE—NO DEPENDENTS		MARRIED—NO DEPENDENTS		MARRIED—2 DEPENDENTS	
	Tax Including Savings	Tax Only	Tax Including Savings	Tax Only	Tax Including Savings	Tax Only
\$ 750	\$ 54.30	\$ 14.75	—	—	—	—
1,000	138.67	58.67	—	—	—	—
1,500	207.20	177.20	\$ 167.20	\$ 58.00	\$ 25.66	\$ 1.16
2,000	307.46	347.46	364.13	164.13	174.00	67.40
2,500	709.13	596.13	567.46	317.46	378.13	160.73
3,000	924.60	684.60	784.40	484.40	585.00	200.86
3,500	1,181.06	901.06	1,007.73	657.73	818.40	308.40
4,000	1,407.73	1,087.73	1,231.06	811.06	1,041.73	561.73
5,000	1,894.67	1,494.67	1,711.33	1,211.33	1,522.00	922.00

PART II - As it Affects

PERSONS OTHER THAN SALARY AND WAGE EARNERS (Such as business or professional men, investors, and persons on commission)

1. **PAYMENTS**—You must pay your 1942 income tax by quarterly instalments beginning on the fifteenth day of October 1942. Remittance Form T.7-B Individuals, to be sent in with your payments, may be secured from

Inspectors of Income Tax some time in September.

2. **RETURNS**—You file your 1942 Income Return on Form T.1, on or before the thirtieth day of April 1943.

NOTE:—Items 1, 4, 5 and 6 of Part I also apply.

IF YOU ARE AN EMPLOYER paying any person on a daily, weekly, monthly or any other basis, it is your responsibility to deduct Income Tax instalments from the salaries or wages you pay, commencing with the first pay period beginning in September, and send the amounts deducted to your Inspector of Income Tax within one week from the pay-day. There are severe penalties for failure to deduct or remit. If you are in doubt as to your obligations to deduct, communicate with your Inspector of Income Tax at once.

Miss Mary Relling came up from Brooks to enjoy the holiday week end at home.

Miss Jean Garrett is home from Edmonton on a two weeks vacation.

Mr and Mrs Jos. A. French spent the week end with Mr. and Mrs. Ralph Martin leaving for Hardisty on Sunday night's train.

Mr. and Mrs. D. A. Perry visited friends in Bellevue, Blainmore and Coleman over the holiday. They were present at the Flower Show in Bellevue which they describe as a very beautiful display surpassing their expectations. Bellevue employs three men throughout the season to look after all public gardens, which results in the above exquisite production. This in turn is an incentive to private citizens. A very excellent plan.

Mrs. F. Young and Diana left for Vancouver Monday night. They will be much missed in Strathmore.

John Hickey who is instructing an R.C.A.F. class in Mathematics in Edmonton, spent the weekend with his family in Strathmore.

Rev. Edward J. L. Hoad preached a very thought provoking and interesting sermon Sunday evening from the text, "I was glad when they said unto me, let us go up to the House of the Lord."

Mr. and Mrs. Ridley and Murney spent the week end with friends in Edmonton.

Mrs. Ralph Martin invited a few friends Saturday afternoon to enjoy a chat with her mother, Mrs. French.

Captain Arthur Lambert now stationed at Suffield spent the week end with his family in Strathmore.

Cpl. Wm. Keeling and wife are enjoying a two weeks vacation at the parental home.

Among the Strathmore young people who came home for the week end were Ronnie Hughes, Gladys Feasenden, Grace Haddon, Esther Boissevain, and Annie McGregor.

Mr. and Mrs. J. A. Tench have received a cable from their son, Cpl. G. A. Tench announcing his safe arrival in England. Graham is enlisted in the electric signal corps.

Mrs. Shaw of Winnipeg who has been visiting her daughter Mrs. Hoad and Rev. E. Hoad at the Rectory returned to her home Tuesday.

●Motorman (to man smoking cigar): "You'll have to smoke on the other end."

Passenger: "I can't; it's lit."

Mrs. Oldham and daughters have returned from Vancouver where they spent the summer.

Mrs. Julian, Billy, Jane, and their guest, Miss Cote of Seattle, motored to Banff for the week end.

Max Walls returned last week from Ft. Norman where he had spent the past three months. He left Monday for Hussar where he is engaged as teacher. Mrs. Walls will join him in a few days.

Miss Frances Gray entertained the girl friends of Diana Young at her home recently. A very jolly evening was enjoyed by all.

Mrs. J. Issard has received a cable from her husband announcing his safe arrival in England.

Cpl. and Mrs. Steele of Moosejaw visited the latter's sister, Mrs. Issard a few days last week.

Men are urgently required for enlistment in the Royal Canadian Air Force as skilled tradesmen for the following trades:

Engineer Stationary (C.E.)
Engineer Stationary
Fireman (Works and Buildings)
Foreman of Works (Works and Buildings)
Fitter Diesel (Works and Buildings)
Fitter General (Works and Buildings)
Pumpman (Works and Buildings)

All persons desirous of making application should address communications to: The Commanding Officer, No. 2 Recruiting Centre, R.C.A.F., Calgary, Alta., or contact the Mobile Recruiting Unit when it visits your district.

The Sorosis Society held their first meeting for the Fall Wednesday, with Mrs. Nicholl presiding. It was decided to again send boxes for all now overseas from this district, the boxes to be packed this month. The Card Parties will again be arranged to make the funds necessary for providing these boxes, which are much appreciated by the men so far from home.

The Directors of the local Lions Club met last Wednesday evening, September 2nd and decided to postpone regular meetings of the Club until toward the close of October on account of harvest labor shortage.

No. 1 winner in the 3rd heat of the Model T. race on Labor Day, an entry sponsored by the Ordnance Corps might be identified as "Texas" the owner being Harold Hunt.

Dr. and Mrs. Giffen had as guests over the week end Mr. and Mrs. Aubrey Giffen, and during the week Mrs. Giffen, Sr. and Miss Blanche Giffen, all of Edmonton.

Mr. McMurray left Monday evening for a trip north to Stettler and other points.

Lt. T. Glendinning is home on furlough for two weeks.

UNITED CHURCH OF CANADA

STRATHMORE

Stanley R. Hunt, B. A., B. D.

Quotation from the Moderator's call to the Church.

"A supreme effort is being made to wipe out the deficit of our church before the end of September. Every charge and every member of the Church should have the satisfaction and joy of sharing in the great achievement."

"A report will be presented to General Council September 16th. It is sincerely hoped that before that date every Official Board that is below its allotment will take up the question seriously and assume its responsibility. We are not urging this matter as though it were the supreme test of our faith and service, but surely it is one of the ways in which we can express our loyalty and devotion to Christ and His Church."

"The time is short, the object worthy beyond all question, the urgency compelling to those who wish to set the Church free to go forward with aggressive work in the post-war world."

—A. S. Tuttle

A meeting of the full official Board of the Strathmore church is called for Sunday, Sept. 13th, at 6:45 p.m. Our charge has done good work on the matter mentioned above. Let us by the help of each member finish our task.

Mrs. O. Wright is enjoying a visit with her daughter, Mrs. Ian MacKenzie.

PO T. S. Hughes has been transferred to Dafoe, Sask., which his friends will be pleased to hear.

Nevertheless it cannot be denied that a pawnbroker's shop is a place of interest.

"Twins Missing Four Days."—headline in a Minneapolis paper. Ah, yes, Deuces wild.

What men want is not talent; it is purpose; in other words, not the power to achieve, but the will to labor.—Bulwer-Lytton.

THANKSGIVING DAY

OCTOBER 12

Thanksgiving Day has been set for October 12 by the Dominion Government.

ALICE MAY, L.R.S.M.

Teacher of Pianoforte, Harmony, History and Theory

Pupils Prepared for Toronto Conservatory or Royal Academy Examinations

The darkest hour in the history of to study how to get money without any young man is when he sits down honestly earning it.—Horace Greeley.

It is now ILLEGAL
to HOARD scrap steel
or UNUSABLE machinery

The Steel Controller has ordered that, after September 15, 1942, no person may retain in his possession scrap iron or steel weighing a total of 500 pounds or more unless he has a permit.

(For the purposes of the new regulations, scrap metal includes machinery, structural steel, or any other article or commodity containing iron or steel, which is not serving an immediate vital purpose.)

The order also provides:

That anyone, coming into possession after September 15 of scrap iron or steel weighing 500 pounds or more, must dispose of it within 20 days.

That any person having a valid reason for not disposing of scrap metal as scrap metal or who believes that it can serve some essential purpose, must send in a report by September 15 to the United Goods Administrator of the Wartime Prices and Trade Board, Lumsden Building, Toronto. His report must reveal the exact description, quantity, and location of his scrap metal.

The provisions of the order do not apply to scrap dealers who are already subject to previous orders; nor do they affect metal fabricators and processors who are in legal possession of metal to be used in manufacturing.

A copy of the order, S.C. 16, may be obtained from the Steel Controller, Department of Munitions and Supply, Ottawa.

Infractions of the new regulations are subject to a fine of up to \$5,000, or imprisonment of up to five years, or both fine and imprisonment.

Department of Munitions and Supply

HONOURABLE C. D. HOWE, MINISTER
